# Criteria

## Judging Criteria:

- 2-minute video submission of your company and development profiles (displayed on awards website) and written submission to support your video
- Materials conducted for the developments built by your company (photos, signboards, masterplans or layout plans etc.)
- Our judges will examine the overall interior and exterior design (renderings and actual site visit), the functionality of the condominiums developed by your company and how it fits into the surrounding area .
- Required submission form (license number, logo, developer name, etc)

## Submission Criteria:

### Developer Product Demonstration

- Demonstrating creativity and innovation of the developments built by your company, amenities and other supporting facilities
- Demonstrating how these developments become self sufficient and sustainable through establishing provisions for physical & social infrastructure, and adopting environmental initiatives
- Product finishes – outline if the developments built by your company have satisfied all the requirements for tenants to move in

### Key Professional Achievements

Outline key professional achievements since your company have commenced operations in the real estate industry and why they are of significance, for example: growth of customers, sales or rental achievements, personal development, leadership and innovation, and details of your company Corporate Social Responsibility (CSR) initiatives

### Service to the Occupiers

Practicality from an occupier perspective - testimonial from occupiers how living or working in your developments provide a holistic experience that fulfills their live, work, play and other lifestyle needs. How does it enhance the quality of live for the occupiers

### Service to the Community

Examples of how your developments answer a specific developmental need within the community. Highlight what sets your developments apart from others within the same area
